Ram Ganga Vihar-II, Moradabad (UP) - 244001
Tel: 0591-2452412, 2452207**

Website: www.mitmoradabad.edu.in

ABOUT HOSTING INSTITUTE:

Moradabad Institute of Technology, Moradabad has a glorious journey of 24 golden years in providing technical education. MIT is leaving remarkable footprints in society through its achievements and through social services of trust, teachers, alumni and students. MIT is being rated among the few top premier private institutes affiliated to Dr. A P J Abdul Kalam Technical University, Lucknow. At present, the institute offers B. Tech Course in five streams namely: Computer Science & Engineering, Civil Engineering, Electronics & Communication Engineering, Electrical Engineering, and Mechanical Engineering. We wish to operate in three dimensions-local, national and global and will prove ourselves outthinking and outdoing on quality quest under worldwide colossal competition. We have dared to dream beyond expectations as we wish to follow the glorious path of academic excellence. A group of dedicated, hardworking and qualified faculty and staff nourishes MIT. Although the Institute of higher learning in technical field grew enormously during past decade, efforts were made to keep the quality of MIT high, without any compromise.

MIT also stands for “Motivation, Innovation & Transformation” which symbolizes true meaning of education. Apart from regular qualified facilities, MIT has separate boys and girls hostel, canteen, seminar halls, auditorium, library, sports and cultural club. MIT has emphasis on Entrepreneur Development Cell, Project Laboratory, R&D centre, Faculty Development Cell etc. for the multi-dimensional growth of young engineers.

OBJECTIVE OF FDP:

- To provide an overview of research methodology
- To unravel the various research designs and multivariate methods of research
- To render deep exposure to multiple tools and techniques of research and its uses in education

OVERVIEW:

The dynamic realm of academic research requires ceaseless chiseling of research methodology. This online FDP is conceptualized and designed to enrich the research prowess with novel methodology & its uses in education. This programme endeavors to provide conceptual clarity to research methods and its applications in educational practices. A few key areas that this online FDP focuses on are research design, structure and implementation, decision making tools, qualitative and exploratory research methods, and applications of research methodology for improvement of teaching-learning process.

CONTENTS:

- Introduction to Research, Identification of Research Problem and Research Formulation.
- Preparing for Review of Literature/State-of-the-art.
- Data Collection Tools.
- Applications of LaTeX & Mendley in Research.
- Publication of empirical papers in Indexed Journals.
- Project Proposal Writing.
- Expectations of Evaluators of Funded research project and what to target.

PEDAGOGY:

Different sessions of this program will be conducted by teams of eminent experts from the institutions and industry of national repute. It will consist of a series of lectures.

WHO CAN ATTEND:

This Online Faculty Development Program is specially designed for faculty members of Engineering colleges affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow.

DURATION:

This is a Five-day program scheduled from 28 Dec. 2020 – 01 Jan. 2021 and will be conducted in different sessions from 2:00 pm to 5:30 pm every day.

CERTIFICATION:

Moradabad Institute of Technology, Moradabad in association with Dr. APJ AKTU, Lucknow will award the “**e-Certificate of Participation**” to each participant after completion of the program.

REGISTRATION FEES:

This Online FDP is sponsored by Dr. APJ AKTU, Lucknow under Dean FET-FDP.
