Report on First Year Orientation Program-2018

The orientation program for the newly admitted undergraduate students of B.Tech., was organized on 1st August 2018. The objective of the orientation program is to introduce students to college services which will support their educational and personal goals. Orientation program provides a welcoming atmosphere for students and families to meet faculty, staff, and continuing students, as well as other new students. It creates an atmosphere that minimizes anxiety, promotes positive attitudes, and stimulates an excitement for learning.

Students and their parents were formally welcomed and introduced to the culture of the Institute and University. The dignitaries present on the occasion were Trustees, Director, Dean Student Welfare, Dean Academics, all Head of Departments, Chief Proctor, Chief Warden and Librarian.

The orientation program started by lamp lighting ceremony accompanied by Saraswati Vandana.

Dr. Animesh Agarwal (Dean Academics) presented a brief on academic structure of the institute, along with university grading scheme, time table, elective courses, induction program, counselor system and university result.

Dr. Vijendra Singh (Dean Student Welfare) discussed miscellaneous affairs of the institute namely scholarships, student welfare, code of conduct and discipline. He illuminated the audience about various societies active in the institute and their roles. He also discussed about the housing environment at the institute, the facilities and infrastructure facilities in the hostels, mess and hostel maintenance committees. He further gave a brief on importance of sports in student life and sports curriculum of the institute.

Librarian of the institute, Mr. Rashid Ali, explained in detail about the vast inventory of literature available at the library, both in form of book as well as e-books. Further, all the facilities present at the library were given a short mention, like wifi, reading halls, journals etc.

Dr. B.P.Singh (Director) expressed his gratitude to the parents and students for having faith and confidence in the institution. He further added that to grow into a successful professional, an individual need to have good leadership qualities, excellent communication skills, stress bearing capacity, innovative ideas and self-confidence. The Director ended by forwarding best wishes and motivation to all the newly-arriving students at Moradabad Institute of Technology.

The program ended by creating a significant impact on the students of the institute and motivating them to achieve great heights. First year students and their parents visited the institute campus in supervision and guidance of faculty members and proctorial board.
