**Item 34.22 To report about Alumni Meet after the last BOG.**

Alumni meet of 2000-2004 batch was organized on 9<sup>th</sup> March 2019. This batch was the first batch of AKTU, Lucknow (formerly known as UPTU). I along with my team members did very hard work to organize it. And our team has done it successfully. We have tried to reach each individual of that batch and we have reached to 170 persons in count of 208. Finally 46 alumni have participated. We have also started a dedicated website for student-alumni interaction. URL of the same is [www.mitalumni.in](http://www.mitalumni.in).

**Item 34.24 Activities Proposed after the last BOG.**

**1. IEEE conference :-**

It is to bring to your kind information that the Department of Computer Science & Engineering is planning to organize an IEEE international conference in upcoming session 2020-2021 in MIT Moradabad. For that, we first require to establish an IEEE Student Branch in MIT Moradabad. Therefore, we have selected 12 student members and 3 professional members to start IEEE Student Branch in April 2019. Then we will submit an application to IEEE for conference sponsorship. After getting the conference sponsorship, we will submit the conference application to IEEE and start all the activity of the conference as soon as approval received from IEEE. The proposed month of the conference is September 2020.

## 2. Entrepreneurship Development Cell :-

Aim of ED Cell is to create awareness among students about entrepreneurship, develop entrepreneurship qualities, motivate and guide them to make their career as entrepreneur and to provide common platform for them to explore entrepreneurial competencies. Students are updated about the current schemes, grants and aids provided by the central and state government departments related to entrepreneurship promotion through various awareness programs.

It accomplishes its objectives:

- By providing business opportunity guidance.
- By equipping the learners with the ability to function dynamically and acquire the requisite knowledge and skills to float their own enterprises.
- By grooming more and more students to explore new and different business ideas and thoughts from every small aspect of his or her life.

Entrepreneurship Development cell organizes following programs:

- Entrepreneurship Awareness Camps (EAC)
- Faculty Development Programs (FDP)
- Entrepreneurship Development Programs (EDP)
- Women EDP (WEDP)
- Technology Based EDP (TEDP)
- Guest Lectures by Entrepreneurs
- Industrial Visits
- Business Idea Generation Activities, Quizzes, Competitions etc.

ED Cell has organized various events like:

### INDUSTRIAL TOURS

S.No.	Industry Visited	Date	Faculty / Students
1.	Auto Expo, Greater Noida	09.02.2018	04 Faculty / 91 Students
2.	ELECRAMA	14.03.2018	04 Faculty / 51 Students
3.	Prisma World	26.09.2018	07 Faculty / 91 Students
4.	Amar Ujala Press	01.12.2018	02 Faculty / 58 Students
5.	Hindustan Press	29.11.2018	04 Faculty / 52 Students
6.	Dainik Jagran Press	30.11.2018	03 Faculty / 62 Students

### ENTREPRENEURSHIP AWARENESS CAMPS

S.No.	Organized by	Date	Faculty / Students
1.	Entrepreneurship Development Institute of India (EDII), Ahmedabad	24-26 September 2018	07 Faculty / 75 Students

2.	National Institute for Entrepreneurship and Small Business Development, Noida	27-29 November 2018	08 Faculty / 91 Students
3.	National Institute for Entrepreneurship and Small Business Development, Noida	28-30 November 2018	09 Faculty / 94 Students
4.	DIC, Moradabad	18-20 February 2019	09 Faculty / 61 Students
5.	National Institute for Entrepreneurship and Small Business Development (NIESBUD), Noida	26-28 March 2019	09 Faculty / 78 Students
6.	National Institute for Entrepreneurship and Small Business Development (NIESBUD), Noida	27 - 29 March 2019	08 Faculty / 75 Students

#### FACULTY DEVELOPMENT PROGRAMS

S.No.	Organized by	Date	Faculty / Students
1.	National Institute of Technical Teachers Training and Research, Chandigarh	19 - 23 February, 2018	72 Faculty

#### ENTREPRENEURSHIP DEVELOPMENT PROGRAM

S.No.	Organized by	Date	Faculty / Students
1.	National Institute for Entrepreneurship and Small Business Development, Noida	18 Feb. to 04 Mar., 2019	08 Faculty / 95 Students

#### WORKSHOP / TRAINING

S.No.	Organized by	Date	Faculty / Students
1.	One day Seminar on SWOT Analysis at Export Promotion Council of Handicrafts (EPCH) for exporters of Moradabad region	February 2018	32 Exporters of Moradabad
2.	Industrial Automation Technology by Mr. Lalitesh Singh (Automation Expert) & Mohd. Azam Khan (Industrial Mechanical Engineer)	02 November 2018	04 Faculty / 62 Students

### 3. NPTEL

The National Programme on Technology Enhanced Learning (NPTEL) was initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003. Five core disciplines were identified, namely, civil engineering, computer science and engineering, electrical engineering, electronics and communication engineering and mechanical engineering and 235 courses in web/video format were developed in this phase.

The main goal of NPTEL Phase II (2009-14) was to build, on the engineering and core science courses launched previously in NPTEL Phase I. An

additional 600 web and video courses were created in all major branches of engineering, physical sciences at the undergraduate and postgraduate levels and management courses at the postgraduate level. Several improvements such as indexing of all video and web courses and keyword search were implemented. NPTEL began offering open online courses in March 2014 along with certificates from the IITs/IISc for those who completed the courses successfully. As of now NPTEL has become the largest online repository in the world of courses in engineering, basic sciences and selected humanities and social sciences subjects.

In the direction of Prof. (Dr.) B. P. Singh, NPTEL local chapter was instituted in MIT before the university initiative in January 2018. And since then we have constantly been making faculty members and students aware about these courses, the result of this is that till today we have 272 candidates who have completed different courses successfully of which 18 are Gold/ Topper certificates. In the current semester total 99 candidates (75 students + 14 faculty members) are registered in different courses for examination whose result will be finalized till May last. Many students are using these to prepare for GATE exams and higher studies too.

If we look at recent development, MIT administration is also thinking about giving financial benefits through motivational schemes to the students which will prove to be very effective in raising the number of registration in these courses.

#### 4. Start up :-

Details of startups initiated by Institutes

Sr. No.	Session	Startup Name	Project's Name	Funded by	District
1	2017-2018	Aezowie Infotech Services Private Limited Company Identification Number (CIN):U72900up2017ptc095636	IT WALA and other Web Development, Software & Mobile App Development projects	Self	Moradabad
2	2017-2018	Stykon Infotech Private Limited Company Identification Number (CIN):U74999up2018ptc101607	VING App, TEXTY App and other Web development, Software & Mobile App Development projects	Self	Moradabad
3	2018-2019	BIA Softech Private Limited Company Identification Number (CIN):U72501up2018ptc105955	BackLsh,O-RICKSHAW App	Self	Moradabad

#### 5. Honorarium Policy for students:-

It is suggested as under:-

Winners may be given cash prize in the following manner:-

3 <sup>rd</sup> prize winner	2 <sup>nd</sup> prize winner	1 <sup>st</sup> prize winner
Rs. 1,000/-	Rs. 1,500/-	Rs. 2,000/-

**6. Hackathon :-**

It is a Technical Skill Enhancement Programme specially for engineering students introduced by MHRD. Our 48 teams participated and one Software team (comprising six students) was selected. The selected team participated at Gurunanak Institute of Technology, Kolkata.

**7. To start Bus facility from Noorpur & Kashipur**

As it is proposed to start bus facility from Kashipur and Noorpur, we have sought willingness of the existing students through Directors of other three colleges/HODs and the proposal will be submitted within due course of time accordingly.

**8. Shifting of Mechanical department in Block-A & D for maximum utilization of land and building**

In view of the reduction in the intake of some existing branches, it has been decided to shift Mechanical Department in Block-A & D for maximum utilization of land and building.

**9. Development of Robotics Lab in Department of Computer Science & Engg.**

A Robotics Lab is being setup in the Department of Computer Science and Engineering, an e-Yantra lab setup initiative of IIT, Bombay and sponsored by Ministry of Human Resource and Development (MHRD) under the National Mission for ICT in Education (NMEICT) of the Institute.

As there is an urgent requirement of one Robotics Lab in the Institute, this lab will remove the gap between the industry requirements and the current academic content. This lab will be a single large platform of engineering like Mechanical, Electronics, Electrical and Computer Engineering.

**Benefits of e-Yantra robotics lab to students :**

- Students can get basic knowledge of embedded systems, robotics technology and mechatronics.
- It provides platform to design, develop, program and test of robots to various applications.
- Students can participate in national and international robotics competitions like eYRC and eYRC+).
- Improve B.Tech projects with help of e-Yantra open source community.
- Exposure to job opportunities in robotics.
- Encourage to use robots to solve real life problems.
