ALUMNI FEEDBACK FORM

Dear Alumni

Heartiest Greetings from the MIT, Moradabad!

Hope you are well and cherish all the endeavors that you have undertaken in your career. It gives us immense pleasure to continue our everlasting ties with you. You are a valued professional and an integral part of MIT fraternity and we truly look forward to your continued association with us.

As you are aware, we constantly focus and strive to give a global experience to our students, so that they can excel in their professional careers. In this mission, your opinion plays a vital role as you have spent valuable years in MIT. Your invaluable inputs would be of great help to improve the quality of academic programs of the institution and enrich student experience.

We shall be very thankful if you could spare some time to fill up this feedback form and give us your suggestions for further improvement of your alma mater.

This feedback form has some questions. Please tick the option that best suits your answer.

To,

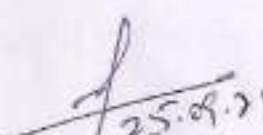

IQAC Coordinator,
MIT, Moradabad

Subject: Communicate suggestions to University for the modification required in syllabus of Mechanical Engg. Branch.

Sir,

As per the feedback received from the students on syllabus of Mechanical Engineering Branch, following modifications may be incorporated in the syllabus:-

- (1) Labs of core subjects such as Computer Aided Manufacturing and Engineering Mechanics should be incorporate in curriculum.
- (2) Syllabus of some subjects such as DOM, Fluid Mechanics & Machinery and Manufacturing Processes should be splitted in two parts as earlier. Presently in current curriculum syllabus is too lengthy to complete in a semester effectively.

**MORADABAD INSTITUTE OF TECHNOLOGY
DEPARTMENT OF MANAGEMENT**

To,
The IQAC Chairman
MIT, Moradabad

Dated: 21.6.2021

SUB: Report on the feedback taken on syllabus from students and faculty for academic year 20-21.

Dear Sir,

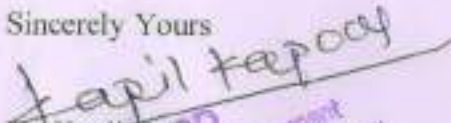

The department had collected feedback on syllabus from students and faculty for the academic year 20-21. Based on the feedback collected of both students and faculty, following recommendations are suggested to be forwarded to the university to be incorporated in the syllabus.

1. There are no changes to be suggested this year as the syllabus has been updated in the last academic year only.
2. In MBA II year following recommendations can be forwarded to the university to be implemented for the upcoming session.
 - In Paper code KMBFM05 Financial Derivatives paper commodities derivatives should also be included in the syllabus.
 - KMBFM04 Working Capital Management paper should be dropped as the paper has lost its relevance in the current scenario.
 - In Paper KMB FM02 Tax planning and Management GST and indirect part should be removed as it holds little relevance for MBA students.
 - New paper in finance specialization should be included like foreign exchange management and credit risk etc.
 - Analytics part should be included both in Marketing and HR specializations.
 - International Business Management new and latest changes in HR, marketing and business strategies should be added.

We request you to kindly put forward the suggestion to the university so that the syllabus could be modified for the benefit of the students.

Thanking You

Sincerely Yours

Dr. Kapil Kapoor

Any other suggestion

University should add in our subject
Some subjects like IOT and E-Vehicles in our
syllabus.
