MORADABAD-244 001,
(U. P.)

No. MIT/AKTU/1069

Date. 28.05.2018

To
The Registrar
Dr. A.P.J. Abdul Kalam Technical University
Lucknow (U.P.)

SUB: Suggestion regarding Evaluation Scheme.

Sir,

As per faculty and student's feedback regarding modifications in University evaluation scheme, we would like to request you to kindly shift your attention on following points-

1. In Mechanical Engineering, please include laboratory of Applied Thermodynamics.
2. Some case studies may be included in some of the subjects, like in MBA courses.
3. A course of Intellectual Property Rights may included in the syllabus.
4. Syllabus of REC 401 is very lengthy and it is difficult to complete it on time. Kindly reconsider the same.
5. MBA syllabus should be reviewed keeping in mind the current conditions and policies.

With regards

SUB: Suggestion regarding Evaluation Scheme.

Sir,

As per faculty and student's feedback regarding modifications in University evaluation scheme, we would like to request you to kindly shift your attention on following points-

1. Some new subjects like IOT/ Blockchain may be included in CSE course in place of some unimportant subjects.
2. Please consider the inclusion of Image and Video Compression techniques in Digital Image processing syllabus.
3. Engineering Mechanics is to be included again as a subject for Mechanical Engineering students.
4. Final year syllabus should include more industrial exposure.
5. The syllabus of MBA subjects is to be reviewed. It is requested to please finalize the syllabus of a particular subject keeping in mind the prescribed number of periods.
