"Our duty is to encourage every one in his struggle to live up to his own highest idea, and strive at the same time to make the ideal as near as possible to the Truth."

Swami Vivekananda

You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face. You must do the thing which you think you can not do.

Eleanor Roosevelt

VISION

To develop competent and skilled Mechanical Engineers having moral values and ethics for the fulfilment of fast changing global needs.

MISSION
