Mr. Mohd. Ilyas

About MIT

MIT Group of Institutions (MITGI) established in 1996. Moradabad Institute of Technology, Moradabad has a glorious journey of 26 golden years in providing technical education. MIT is leaving remarkable footprints in society through its achievements and through social services of trust, teachers, alumni and students. MIT is being rated among the few top premier private institutes affiliated to Dr. A P J Abdul Kalam Technical University, Lucknow. For more details about the institute, please visit institute website “www.mitmoradabad.edu.in”.

About CSI

Computer Society of India is a body of computer professionals in India. It was started on 6th March 1965 by a few computer professionals and has now grown to be the national body representing computer professionals. It has 72 chapters across India, 511 student branches, and 100,000 members. It is a non-profit professional meet to exchange views and information to learn and share ideas. The wide spectrum of members is committed to the advancement of theory and practice of Computer Engineering and Technology Systems, Science and Engineering, Information Processing and related Arts and Sciences. The Society also encourages and assists professionals to maintain integrity and competence of the profession and fosters a sense of partnership amongst members. Besides the activities held at the Chapters and Student Branches, the Society also conducts periodic conferences, seminars.

Our Patrons
