# MESSAGE FROM HEAD OF DEPARTMENT

**DR. MANISH GUPTA**  
**HOD(CSE)**

Dear Students and Faculty Members.

The CS & E Department is moving ahead on many fronts with AIML, IOT and Data Science. The consistent efforts and hard work of all is highly appreciable. It is time to think out of the box! It is the time to make rich projects on emerging technologies. The biggest testimony for quality comes from NBA, so work consistently for its extension.

I would like to encourage all students and faculty members of my department to be focused and determined to set goals so that we all can grow together as a person, department, and institute.

The Department of Computer Science & Engineering, MIT Moradabad, is now in its twenty seventh year. At this juncture, we have reached a significant milestone with the release of the fifth volume of the Newsletter. This newsletter gives a platform to our students for make their voices heard. I am confident that this newsletter will become a medium for students to share relevant technical experiences, explore emerging issues, and find innovative means of moving beyond the class-room and prescribed syllabus in their quest for excellence in the field of computer science. I'm also grateful to the editorial team that worked hard for the publication of this newsletter.

Happy reading!

**DR. HIMANSHU AGARWAL**  
**DEPUTY HOD**
