### Activity Report

**Name of the Event:** DIGITAL MAHAKUMBH

**Date of Event:** 26TH FEBRUARY 2025

**Venue:** ONLINE MODE

**Coordinating Society:** Computer Science Students' Society

**Participants:** 14

On 26TH FEBRUARY, the Computer Science Students' Society organized "**DIGITAL MAHAKUMBH**", a vibrant event celebrating artistic, storytelling, and literary talents through digital mediums. Inspired by the grand MahaKumbh, one of the largest and most sacred religious gatherings held every 144 years, this event provided a platform for students to express their creativity in various forms.

The event featured three engaging categories:

- **Poster Making** – A showcase of creativity where participants designed visually compelling posters based on given themes.
- **Celebration Vlog** – Encouraging digital storytelling, this category invited participants to create engaging vlogs capturing moments of joy, festivity, and celebration.
- **Hindi and English Poetry** – A literary showcase where poets presented their thoughts, emotions, and creativity through original poetry in both Hindi and English.

With an overwhelming response from students, the event successfully fostered innovation, self-expression, and artistic excellence.

### Winners Announcement and Prize Distribution Ceremony

After the enthusiastic participation, the much-awaited prize distribution ceremony was conducted. The winners were honored with certificates and trophies, presented by **Dean CSE Dr. Manish Gupta**.
