(2nd year CSE)

Tushar Varshney
(2nd year CSE)

Vaibhav Goyal
(2nd year CSE)

Siddhartha Bhatnagar
(2nd year AIMl)

Mahima Verma
(2nd year AIMl)

Sanchit Agarwal
(2nd year DS)

Message by Dean Sir

The Computer Science Students' Society (CSSS) is a student-led initiative formed to promote technical excellence, creativity, and leadership within the students of CSE department. It serves as a platform where students take charge—organizing technical, semi-technical, and creative events, workshops, competitions, and fun activities that enhance both learning and community spirit.

CSSS reflects the energy and talent of our students. It's not just a society—it's the face of student engagement in our department. I truly appreciate the efforts of the entire CSSS team for their dedication and impactful contributions. Keep up the great work and continue being the pride of CSE.

Dr. Manish Gupta
Dean, CSE.
